Fox Sequoia To Screen Double Horror Show Sunday

"Redwood City theatergoers have nerve," claims Fox Sequoia Theater Manager Hal Honore'. "Twice before, in November and December of 1940, I offered them what we call 'shudder-combinations,' and on both occasions they actually ripped the front doors off their hinges in order to gain admittance to the theater. On next Wednesday night, we will screen Boris Karloff in 'The Ape,' and 'The Chamber of Horrors' for their defright. Doors will open at 6 o'clock, with both features scheduled to show twice."

New Patented Seal Keeps Wrappers Tight

Have you ever been annoyed by having the wrapper of a loaf of bread come unsealed before you were ready to use it, letting flavor and freshness escape and leaving the bread dry and tasteless?

Bakers have been struggling for years with the problem of sealing waxed paper wrappers securely, with the idea of preventing that very thing. Now the bakers of Kilpatrick's Bread have solved it with a new patented seal which holds the ends of the wrappers tight, keeps air and moisture out, protects the freshness and flavor as nothing ever has before.

The new seals, which are red, appear on the ends of each gingham wrapped loaf. They are applied by heat and do not have any adhesive as we commonly use the terms. The bakers of Kilpatrick's Bread say these seals, which they call Flavor Seals, retain the oven freshness of the bread so well that even day-old bread, if unopened, retains as much freshness as so-called "fresh" bread sealed by the old-fashioned methods.

Officials To Help Taxpayers With Forms

In order to assist income taxpayers with their returns, Deputy Collector J. F. Shanley of the internal revenue service, Treasury Department, will be at the supervisors' room in the court house from 9 a.m. to 4 p.m. on March 6, 7, 8 and 10.

Shanley will be at Half Moon Bay, at the Bank of America building, at the same hours on Feb. 13 and 14. Another deputy collector, J. J. Broderick, will be at Menlo Park, Bank of America building, Feb. 28, from 9 a.m. to 4 p.m.

Italian-American Clubs Plan Banquet Feb. 15

San Mateo County's Council of American-Italian Clubs will hold its annual banquet and dinner dance at the Benjamin Franklin Hotel in San Mateo this Saturday at 7:30 p.m., according to an announcement here.

C. S. Grandi, 855 Main St., and P. Garivo, 1577 Oxford St., Redwood City, are taking reservations from local club members.

Annexation Proposal Report Due for Club

The Highlands District Improvement Club will hear a report on the proposed annexation of the district to Redwood City at its next meeting, when the fact-finding commission headed by Gustave Chevassus submits its report on the matter, it was announced at Monday night's meeting of the club at the home of Director Stanley Perkins on Glen Crag Way.

Secty. Earl C. Palmer was instructed to inform the county authorities of the dangerous short turn at Oak Knoll Dr. and Summit, and also about flood conditions on Jefferson Ave. near the city limits and impassable condition of Lakemead at Temescal.

Palmer announced that through the courtesy of Assessor Martin Flynn, the club now has a complete list of real estate ownership in the district. Palmer and Director H. R. Chapin were authorized to prepare a membership campaign bulletin.

British Guiana, about the size of England, has but 272 miles of roads.

Youths Admit Second Crime in This County

A second San Mateo County crime—never previously reported to county law authorities—was confessed in San Francisco by a trio involved in the five-man holdup of a Brisbane auto court last Jan. 26.

Dep. Sheriff Walter Moore, questioning the youths, who were picked up in San Francisco along with nine others said to be involved in a series of robberies and burglaries there, said they had confessed picking up a hitch-hiker in Palo Alto and, taking his jacket from him on Skyline near Belmont late last month.

As one of the boys told it to the deputy:

"We asked him for it like a gentleman, but he challenged us to fight so Krull (one of the trio) hit him and we left him on the road."

Two other youths are being sought as accomplices in the Brisbane auto court holdup in which $34 was stolen.

NEW SHORTEST HIGHWAY
Moves Marin Four Miles

Barbecue Stand Aide Reports $60 Robbery

SAN MATEO—Still dissatisfied with explanations given them, San Mateo police today continued investigation of a reported armed robbery at the Fat Boy barbecue in San Mateo.

Rex Lincoln Taylor, 24, attendant at the stand for the past three weeks, reported two men, armed with pistols, bound and gagged him, shoved him under a stove, then ransacked the building and took $60 in cash.

Taylor told police he loosened the gag, freed one hand, hoisted himself to a chair and rang a bell for the manager of the restaurant who lives in the rear. When the manager arrived, Taylor was still sitting on the chair, a towel around his neck, an electric iron cord dangling from one wrist and his feet still bound with a butcher's apron.

Police said Taylor did not explain why he did not finish unbinding himself after one hand was free instead of dragging himself across the floor and onto the chair.

Hit-Run Victim Is Identified

The body of a hit-run victim, killed Jan. 31 on Bayshore Hwy. near San Carlos, has been identified through Federal Bureau of Investigation fingerprint records as Francis A. McLaughlin, 35, of Kansas City, Mo.

Berghorst Sentenced To 60-Day Jail Term

Sam Berghorst, 36, Menlo Park contractor, was sentenced to 60 days in the county jail Monday by Superior Judge A. R. Cotton on four counts of issuing worthless checks. Berghorst's motion for probation was denied on recommendation of Probation Officer Francis Robinson, but he was given credit for time served — since last Dec. 16.

Berghorst was re-booked at the jail on the check charges when he completed a 30-day sentence for violation of the state labor code.

Eagles To Send Youth To Legion's Boys State

Redwood City's Eagles will again sponsor a youth at the American Legion's Boys State in Sacramento this year, the lodge decided at its meeting last week, at which a final report showed that $200 had been contributed by local members towards the new $150,000 dormitory sponsored by the Eagles at Boys Town, Nebr.

Next Friday the regular meeting will be held but a committee composed of Royal Hodge, R. E. Karns and U. L. Laurence will present a program to inmates of the Veterans Administration Facility in North Palo Alto.

Doughnut Shop Head Seriously Injured

James H. Bible, 20, manager of the Rainbow Doughnut Shop on Broadway, Redwood City, injured in an accident near Five Points last Monday morning, was more seriously injured than was first believed. The youth suffered internal injuries in addition to lacerations of the forehead and both legs, and probably will be confined to the hospital for several weeks. He is at Mills Memorial Hospital in San Mateo.

Here's Why

Beginning February 15th we'll start our deliveries two hours later than at present.

A few years ago it was necessary to deliver milk in the early morning, this when everyone's working day started much earlier and refrigeration was quite a problem.

Today with modern refrigeration in every home and the majority of our customers in the habit of getting up around seven or later, a more personal daylight service is preferred.

In order to take care of everyone's needs it seems best to change our starting schedule to a later hour—

BEGINNING FEBRUARY 15th, WE'LL START OUR DELIVERIES LATER THAN AT THE PRESENT

not only will this enable us to give personal service to everyone, but it also relieves our families and ourselves of the abnormal conditions under which we have lived as long as we have had to start work in the middle of the night.

From now on we will have a chance to see you and talk with you in broad daylight—and continue to strive to give you the "Johnny-on-the-spot" service that you so frequently require on the many dairy products that we handle—

Then for your convenience and for our better health—"We'll be seeing you."

Woman Dies Of Injuries

Death toll from a grade crash at Belmont Wednesday morning was raised to 3 yesterday when Mrs. S. E. Bennett, 40-year-old waitress of 145 Gough St., San Francisco, died of her injuries at Mills Memorial Hospital approximately 24 hours after the car in which she was riding was struck at the Ralston Ave. crossing by the northbound Sunset Limited.

Mrs. Bennett had never regained consciousness after lapsing into a coma a few minutes following the terrific crash in which her sister, Mrs. Lois Miller, 34, also a waitress, was killed outright and Karl A. Unterien, 31, of San Bruno, was fatally hurt. He died less than an hour after the accident.

Identification of the body of Mrs. Miller was made at 8:30 o'clock Wednesday by her husband, Fred Miller, 245 Eddy St., San Francisco, who had read about the accident in the newspapers. He visited the morgue of Coroner William F. Crosby with a friend. He told the coroner that his wife had been missing all day but had not known where she might be until he read of the accident.

When Coroner Crosby asked a question about how the group happened to be at Belmont, he said the grief-stricken husband replied: "Just one of those things, I guess."

Mr. Unterien was a night cashier for the Yellow Cab Co. in San Francisco. It had been reported earlier that he was a San Bruno builder. Mrs. Miller was a waitress in a restaurant in the cab company building on Turk St. Her sister worked in another cafe.

Bodies of the women were taken to the Morse & Ryan mortuary in San Francisco. Mr. Unterien's was taken to the Silvio Nieri parlors in San Bruno. He leaves a wife and two children.

Deaths of the three raised the San Mateo County traffic death toll to 19 for 1941. Last year at this time there had been 4 traffic fatalities. The toll for this year so far is believed to be an all-time record.

Group Leaves Next Monday

LET YOUR LEFT FOOT LOAF

Miss Opal Gregg, famous Hollywood model, demonstrates Packard's new energy saving device, known as the Electromatic Clutch, which eliminates the tiring, left foot work in driving, according to Redwood Motor Sales, local Packard dealer. The new device creates a smoothness in operation which cannot be duplicated by the most perfect driver. As an added feature a simple dash control permits the use of the conventional clutch for second gear braking on mountain roads, or when otherwise desired.

Daylight Milk Deliveries Start Next Saturday

Staring here tomorrow, you can stop being sorry for your milkman!

For after today, he will start his deliveries at 7 a.m. instead of at midnight.

The change in milkmen's working hours, affecting 300 or more families in San Mateo County, will mean that milkmen will be able to have a normal family life instead of being up in the middle of the night and then sleeping all day when other people are awake.

The hour schedule change affects all dairies in this county.

'Vinegar Tree' Proves Hit With San Carlos

By STAFF REVIEWER

SAN CARLOS—"The Vinegar Tree," a play that has been a hit many times, was presented Friday and Saturday nights to enthusiastic audiences at the San Carlos Civic Auditorium.

Laura Merrick, the restless and imaginative matron who lives in the past and dreams of her artist lover of 25 years before, was exceptionally well portrayed by Anne Cross as the wife of the confused and crotchety Augustus Merrick, played by John H. Kemp Jr.

Winifred Mansfield, the fast-stepping and much married sister of Laura was played most realistically by Asthore Sevison.

Max Lawrence, the artist who causes all the heart throbs and complications, was well played by Robert Zentell. Leone Merrick, daughter of Laura and Augustus Merrick, who arrives home from college completely disillusioned, and is in reality quite naive, was played by Marie Pertulia. Geoffry Cole, the very young and penniless sweetheart of Leone, was capably done by William O'Meara. Louis the footman was well acted by Harold Jones.

The setting, which was the country estate of the Merricks, and the outstanding performances of these participating are due credit for their highly entertaining performance.

Julio Francescutti, director, and Mrs. Esther Green, president of the club and their staff of assistants, are complimented for their fine supervision and selection of the show.

The odor of some perfume bases is offensive in high concentrations, but becomes pleasant with dilution.

New Line Shown Here

Motorists are talking enthusiastically of the "big news," the Chevrolet Fleetline model, of motordom. Introduced this week at the showrooms of Davies Auto Co., the "truly new car" scored a hit instantaneously, in the words of the local dealer, A. H. Davies, and since the debut crowds have flocked to examine the new entry in the field of low-priced cars.

"The Fleetline is a surprise offering of Chevrolet's engineers," the dealer explained. "It embodies ideas of design which are far ahead of current practice. A new model in the 1941 Chevrolet line, it brings brand new ideas not only in styling but in the realization of 'drawing room comfort' in the interiors.

"The upholstery is of a new type and the interior trim can best be described by the word 'gleaming'. The instrument panel is a brand new conception of style and convenience features. Window mouldings, of a new design and trimmed with sparkling chromium, are a noticed highlight in the ensemble."

The executive explained that all of the famous Chevrolet features of the 1941 line are incorporated in the new Fleetline model. The popular concealed safety steps are on all four doors, providing the passengers with walk-in ease and eliminating the old-fashioned climb-in disadvantages. The vacuum-power shift, at no extra cost, gives finger-tip ease of shifting, with its 80 per cent automatic feature. Other famous features are the tip-toe-matic clutch, the Body by Fisher with its exclusive features of construction, and the world-renowned six-cylinder engine.
